**Calendar for Creative Bible Lessons  
in Essential Theology for September**

**September 1**  
**Describing the Invisible**  
The focus of this lesson is to provide students with a basic description of God. Students will learn what God is like, understand how he's a Person and a Spirit, and realize the benefit of God's makeup to every individual.

**September 8**  
**Three in One**  
The purpose of this lesson is to provide a biblical look at the Trinity. Students will discover each person in the Godhead, understand how they work together in the lives of people, and determine to accept by faith the unity of God.

**September 15**  
**Naturally Speaking**  
This lesson will provide an overview of the natural attributes of God. Students will learn what some of God's natural attributes are, examine how these attributes affect their personal lives and faith, and begin to recognize these attributes throughout Scripture.

**September 22**  
**It's all about love**  
This lesson is designed to provide students with an overview of the moral attributes of God. Students will explore some of the characteristics that make up what God chooses, understand how these attributes can be summarized by God's love, and determine to live in a way that reflects love.

**September 29**  
**What's in a name?**  
The focus of this lesson is a closer examination of the names used for God in Scripture. Students will learn some of the names of God, understand what they meant to people in Scripture, and apply the names of God to the personal prayer life.
